Carpets Commercial

Paul Arnold of Carpets Commercial has asked me to write a testimony to help promote future business and for posting on his new web site at :

www.carpetscommercial.co.uk

This I am happy to do. Paul has been visiting the school for a number of years now and I have always found him pleasant in personality and informative of his product.

We have used a considerable amount of carpet and mats in school and have found all products most cost affective. Our external contract floor layer has had no problems with any product.

I have no hesitation in recommending Paul Arnold for all your flooring needs.
