To Whom It may Concern

I have known Paul Arnold of Carpetscommercial for quite sometime and am more than happy to recommend his Company's services.

In the past I've purchased a considerable quantity of safety flooring and contract grade carpet. Our external fitters have had no problems with any of the material he has supplied. The material supplied is good quality, competitively priced and delivered on time. Paul's product knowledge is excellent and is happy to offer advise when asked.

I have no hesitation in recommending Carpetscommercial for any of your flooring needs.
